Mr. Rollo's requests are two:

(i) Furlough on full pay for 3 months and 5 days in commutation of double that period of furlough on half average salary to his credit.

(ii) Leave to be allowed in respect of his service in the Pachayappa's College, Madras.

It is not a condition of his employment here that his Madras service should count either for leave or pension at our cost. There is no reason why we should show any consideration for his service rendered to another employer and I think the second request cannot be complied with.

The first request is also inadmissible under our present leave rules. I have, however, suggested the revision of Leave Rules and Mr. Rollo's request can be complied with, if it is sanctioned. For purposes of reference I keep in this file a copy of the note in which the revision is proposed.

Through

T. Satyaraj Chetty, Esq., B.A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I am directed to forward herewith copies of letter No. 246 dated the 26th July 1922 and its enclosure from the principal, Maharaja's College regarding an application from Mr. J.C. Rollo, M.A., Professor of English, for leave on full pay for 3 months and five days in continuation of the ensuing summer vacation and to state that in the Vice-Chancellor's opinion Professor Rollo may be granted in continuation of the summer vacation leave on full pay for 3 months and 5 days in commutation of double the period on half pay. The Vice-Chancellor would strongly recommend this concession in Professor Rollo's case and also permission to him to affix the Dasara holidays to his leave.

As regards Mr. Rollo's second request that his services in Madras should count for calculation of the leave in Mysore, I am to state that it is a matter for the Government to decide.

I am to add that proposals for the conduct of work during the absence of Mr. Rollo on leave will be submitted after the leave applied for is sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,

M. Krishnamachariar

Registrar.

Letter No. 346 dated the 26th July 1922 from the Principal, Maharaja's College, Mysore, to the Registrar, Mysore University.

I have the honour to forward the accompanying copy of an application from Mr. Rollo for leave on full pay for 3 months and five days in continuation of the ensuing Summer vacation. I request that the application be very favourably considered for the following reasons.-

(i) Conditions of service in India are becoming less attractive to British Officers, and the least that ought to be done is not to penalise those that came to India when the general atmosphere and economic conditions were quite different. In British India this has been fully recognised, and salaries and conditions of leave have been revised on liberal terms. Although the University has not adopted the scale of salaries and allowances that obtain in the Indian Educational service, it is imperative that conditions of leave should at least be revised at once to enable officers to proceed to Great Britain without serious loss. Salaries that were adequate and even handsome ten years ago are totally inadequate now for a life of decency here and high prices in India and abroad inflict a double loss on those who have to work in India to obtain a period of rest (or study) abroad. Leave on full pay for half the period of half pay leave earnt is at best partial redress of the hardship and can scarcely be denied.

(ii) Mr. Rollo's request that his service in Madras should count for calculation of the leave he is entitled is also deserving of favourable consideration. There are precedents for counting service elsewhere even for pension, e.g. Mr. Denham's case, but the present request is more modest. I would point out, however, that Mr. Rollo has already earnt enough leave on half pay in Mysore Service alone to cover the period of leave on full pay he is asking for.

Letter dated the 19th July 1922 from Mr. J.C. Rollo, Professor of English, Maharaja's College, Mysore to the Principal, Maharaja's College, Mysore. ....

" I write to request that, with the kind recommendation of yourself and of the Vice-Chancellor, Government may be pleased to grant me leave out of India for 3 months and 5 days in continuation of the Summer vacation with permission to affix the Dasara holidays to it.

I came out - as Principal of Pachaiyappa's College, Madras- early in 1922, and I have never had any furlough. I went home in the summer vacations of 1913 and 1915: in 1923 it will be eight years since my last visit to England, and that an exceedingly short one. In 1919 I should have been due a year's leave from my Madras appointment, but I forfeited this leave by coming to Mysore in July 1918. I am in very great need of furlough after this long period of service in India - most of it in a climate by no means so favourable as that of Mysore.

In an earlier letter to Government, requesting the granting of an overseas allowance, I dwelt on the extreme financial difficulty confronting people in my position. I have been deterred from applying earlier for this much-needed leave by the simple fact that I could not afford passages and residence in England. I apply now because I can delay no longer, but the difficulty remains: to get home and to live there will be possible only by means of borrowing as well as selling. It would do much to meet the difficulty were leave on full pay given for the whole period referred to; and I venture to request that this may be done, the period of leave being treated, as in British Indian service, as commutation of a longer period on half pay.

I would make the further request that the whole period of my service in India might be counted in the general calculation of furlough due to me. Frequent though such an arrangement is

is, I did not think of suggesting it prior to my appointment; but I hope it is a concession that Government may find it possible to make".

C.B. 49-22-8

To

K. Matthan, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I am directed to address you regarding the Furlough leave now sanctioned to Mr. J.C.Rollo, M.A., Professor of English, Maharaja's College, Mysore, in Government Notification No. 4903/C.B.22-22-7 dated the 9th April 1923, and to state that Mr. Rollo's original application (Vide copy forwarded with this Office letter No. 906 dated the 4th August 1922) was for leave out of India for 3 months and five days in continuation of the Summer vacation <u>with permission to affix the Dasara Holidays to it</u>, and this Office recommendation to Government was also to the same effect (vide this Office letter No. 906 dated the 4th August 1922).

In his application however, instead of noting the exact period necessary to bring his furlough up to the date of the commencement of the Dasara Holidays of 1923, Mr. Rollo stated it, evidently by an oversight, as 3 months and five days and accordingly this period of leave only has been sanctioned to him now with permission to prefix the summer vacation to it.

This period of furlough now sanctioned to him will expire on the after noon of the 5th October 1923 while

while the Dasara Holidays of 1923 will commence from the 15th October 1923, the 14th idem being Sunday. Thus, Mr. Rollo will not be able to affix the Dasara Holidays to his leave unless his Furlough be extended up to the 14th October 1923.

In this connection, I am to invite kind reference to this Office letter No. 906 dated the 4th August 1922 in which the Vice-Chancellor had recommended that the concession of permitting him to affix the Dasara Holidays to the leave may be sanctioned to Mr. Rollo and to your letter No. 3570/C.B.49-22-2 dated the 9th December 1922 stating that Government have no objection to sanction to Mr. Rollo such leave as he may be entitled to in continuation of the Summer vacation with permission to affix the Dasara Holidays of 1923 to the leave.

I am now to request that you will be so good as to obtain early sanction of Government to the extension of the Furlough on average salary to Mr. Rollo till the 13th October 1923 inclusive, with permission to affix thereto the following sunday and the Dasara Holidays of 1923 and to the continuance, till the close of the Dasara Holidays of 1923, of the acting arrangements now sanctioned, under 1 (4) of Government Order No. 4906-7/C.B.22-22-8 dated the 9th April 1923.

I am also to add for information of Government that the further furlough on average salary for eight days from 6th October 1923 to 13th October 1923 both days inclusive, (necessary to Mr. Rollo to enable him to affix the following Sunday and the Dasara Holidays of 1923 to his leave) is admissible to him as he is entitled to 3 months and 13 days' furlough on average salary out of India from 1st July 1923 as per Comptroller's certificate of leave in his favour forwarded to you with this Office letter No.6807 dated the 2nd February 1923.

A copy of D.O. letter No. 1290 dated the 12th April 1923 received from the Principal, Maharaja's College, Mysore, in the matter is also enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

HSR.

D.O. Letter No. 1290 dated the 12th April 1923 from the Principal, Maharaja's College, Mysore, to the Registrar, Mysore University, Mysore.

===

I am afraid a little slip has occured with regard to the period of leave sanctioned to Mr. Rollo. The original request made was (Reference: My letter No. 246 dated the 26th July 1922 enclosing copy of his letter) for 3 months and 5 days in continuation of the ensuing Summer vacation with permission to affix the Dasara Holidays to the period of the leave. At the time, there was no Calendar for 1923 available, and the calculation of the period between the close of the Summer vacation and the commencement of the Dasara holidays was based upon some Panchangam. The Government, however, in their letter dated the 8th December 1922 (Your Memo No. 5397-99 of the 13th December 1922), sanctioned the substantial request i.e. "such leave to Mr. Rollo as he may be entitled to in continuation of the ensuing summer vacation with permission to affix the Dasara holidays of 1923 to the leave." Subsequently the Comptroller's Officer made correct calculations on this basis and arrived at 3 months and 13 days as the period of commuted furlough(letter No. Memo. 6539 of the 25th January 1923 from your Office). As the Office copy of my first letter had been filed by that time, and as I was at the time worried over the Hostel affairs, I regret to say I did not notice the discrepancy, to which my attention was drawn by Mr. Rollo yesterday just before he left Mysore. He saw with you a Government Order based on his original request for 3 months and 5 days , althqugh the gap could easily have been detected, as the request went on to ask for permission to affix the Dasara Holidays, which permission had already been given.

Under these circumstances, I request that the Government be kindly moved to change "5 days" into "13 days", and expressly

expressly permit him to affix the Dasara holidays to the period of leave.
